

SVQ PLAYWORK LEVEL 3

Competency based qualification

Build your skills and give your career momentum

This SVQ in Playwork at level 3 is for those working in the Playwork sector such as Crèche, after school or holiday play club supervisors or managers (or managers of youth clubs), and who in their working role will be undertaking increased levels of supervision. The Play worker would be expected to demonstrate competence in providing child centered play environments, developing opportunities in the community, while upholding to protect children from abuse. The candidate would be expected to work effectively with colleagues in a team and work within Health and Safety guidelines while always promoting the child development and relationships through play.

Course Syllabus : Five Mandatory Units

- Contribute to an organisational framework that reflects the needs and protects the rights of children and young people.
- Develop and maintain a healthy, safe and secure environment for children
- Develop and promote positive relationships
- Plan for and support self-directed play
- Reflect on and develop practice

Certification: this course is certificated by SQA and can be attained by the candidate demonstrating competence by completing the mandatory units and working towards achievement of a further 4 Optional units.

Course Delivery

This course can take from 12 – 18 months to complete. This course is delivered via a blended approach of workshop attendance and on job mentoring and assessment.

Entry Requirements

- Candidates will be employed within the industry and as such would have been through a selection process.
- Generally, there is no prescribed recommended prior knowledge, attainment or experience needed to gain access to this qualification.
- It is recommended that potential candidates are initially assessed on entry, so that levels of literacy, numeracy, communication skills and sector understanding can be determined.
- This initial assessment should consider previous qualifications and practical experience.
- Attainment of SVQ level 2 in Playwork is excellent prior preparation for this qualification.

This course can be funded via a Modern apprenticeship.

This qualification is delivered by Direct Partners Ltd & Complies with SSSC requirements
