

# SVQ SPORTS & OPERATIONAL SERVICES LEVEL 2

## Competency based qualification

### Build your skills and give your career momentum

This SVQ 2 is for you if you are working in Active Leisure Learning and Wellbeing, Sport & recreation, Health and Fitness and the Outdoors.

### Course Syllabus

You must complete four mandatory units:

- Support the work of your team and organisation
- Promote health, safety and welfare in active leisure and recreation
- Support equality and diversity in active leisure and recreation
- Give customers a positive impression of yourself and your organisation

**Certification:** Accredited by SQA and based on Industry specific requirements set by Skills-Active. You must achieve a further four Optional Units & demonstrate appropriate Core skills.

### Programme Delivery

This course is delivered at your place of work and can take from 4-12 months to complete. This course is delivered via a blended approach of on job mentoring, coaching and assessment.

### Entry Requirements

- Scottish Vocational Qualifications are work based qualifications
- Candidates will be employed within the industry & have been through a selection process.
- Generally, there is no prescribed recommended prior experience needed to gain access to this qualification.
- It is recommended that potential candidates are initially assessed.
- This initial assessment should consider previous qualifications and practical experience.

**This course can be funded via a Modern apprenticeship.**
